

Licence Agreement

02.07.2007

This Agreement is made on the translation of the geological e-learning materials (<http://www.ig.uit.no/webgeology/>) into Estonian

BETWEEN:

1. Prof. Kåre Kullerud, Tromsø University, Department of Geology, N-9037 Tromsø, NORWAY ("the Licensor") and

2. Prof. Alvar Soesoo, Tallinn University of Technology, Institute of Geology, Ehitajate tee 5, Tallinn 19086 ESTONIA ("the Licensee")

to agree as follows:

- The Licensee is the Estonian representative and responsible person for the translation of the geological e-learning modules combined by the Licensor into Estonian;
- The Licensor provides necessary computer files for translation free of charge;
- The Licensee provides translated files to the Licensor;
- The translated modules shall be accommodated at the Licensor's web site and in one web site in Estonia;
- The control and distribution of the translated modules in Estonia is to be the responsibility of the Licensee;
- The Estonian web site with translated modules shall be usable for educational purposes by non-commercial users;
